- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Office of Training found many course  
are available for employees outside of their  
own job. Would like to see more senior  
management course offered outside of BASIC  
least. Records presentation - maybe only because  
(See Reverse Side)  
Approved For Release 2001/08/13 : CIA-RDP79-01590A000400030037-0  
ADMINISTRATIVE - INTERNAL USE ONLY  
for us.

- C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes - sometimes people in CIA  
live in their own world only because they  
were told to do so - "Need To Know Basic" -

- D. Other Comments:

I don't think a person can do his work  
at best - if he doesn't know what's going  
on around him - Give him the "Big  
picture book" - help him to understand how  
his (input) helps the overall final  
product. Also - I believe its important to  
keep people updated to Agency changes &  
Trends - One way might be a trends & highlight  
course for each employee every 2 years or  
even every year. I enjoyed the  
course - & will recommend it for each of my people.

Needs = Some kind of music in club. 00
